OPEN YOUR EYES : OPEN YOUR MIND

Bernard

This award winning series follows the comical adventures of a hairless polar bear, who leaves his frigid homeland and travels the world trying to gain a better understanding as to how others live their lives.

Bernard's travels take him to the four corners of the world and with every adventure, or should we say, mis-adventure, the audience is left howling with laughter.

This is a show with colorful characters and superb CG animation for everyone.
