OPEN YOUR EYES : OPEN YOUR MIND

Celebville

Celebville is a small town where only rich and famous celebrities live. At first sight happiness and glamour are all around, but once you get closer, you see that the other side of the coin isn't only diamonds, love and party-time. 'Mayor Schwarzy' tries very hard to keep up appearances, but with Hollywood A-listers as Posh Beckham, George Clooney, Paris Hilton, Madonna, Tom Cruise, Pete Doherty, Amy Winehouse and so on... you can imagine that the job isn't that easy.
