OPEN YOUR EYES : OPEN YOUR MIND

HectorB

Say hello to HectorB, an animated robot with some truly unique talents. In real life he works as a mascot for a visual effects and animation production company. Recently however, HectorB has been taking dance classes in hopes of making it into show business.

HectorB is now available on mobile phones, performing breathtaking dance moves from dances such as Charleston, Disco, CanCan, the Chicken Dance and many more, including his favorite: The robot!
