OPEN YOUR EYES : OPEN YOUR MIND

## Bid or Quit

Welcome to a show where the candidates decide how much they can win. Three players each begin with 1,000 Euros and throughout the game are faced with multiple themed rounds of quiz-questions. Once the questions have been revealed, the candidates must decide which ones they can answer.

This is when the real bidding begins; for the right to answer the question first. Each round requires a minimum bid which increases over time. Whoever doesn't bid, has to quit!
