OPEN YOUR EYES : OPEN YOUR MIND

Spice Up Your Life

First aid for your love life. After the romance wears off, comes disagreement, house cleaning and boring routine – a situation that can easily spell death for any relationship. But luckily help is on the way! A certified therapist and sexologist moves in with a couple who are in danger of breaking up. Through exercises, dialogue and guidance, she does all she can to spice up their love life and fix their relationship. After one week, she bids farewell to a couple that is just as much in love as when they first met.
